1. Based on S&P Global Mobility CY1985-2024 US TIPNet Registrations excluding registrations to individuals. YIP Registrations prior to 2010 do not include all GVW 1 and 2 vehicles.
2. Based on S&P Global Mobility manufacturer new-to-new household loyalty methodology and Truck segments, Ford Trucks had the greatest percentage of owners who returned to market and purchased or leased another Ford in Model Year 2024. Includes all models with RTM population greater than 1,000. 3. Based on total U.S. industry-reported sales (2024 CY). 4. Qualified Ford Pro Customers must possess a [Fleet Identification Number \(FIN\) Code](#). Gas Powertrain Warranty previously offered on Medium Duty continued for 5-Years, or /100,000 miles, or 4,000 engine hours, whichever occurs first. Certain commercial customers with a valid FIN Code are eligible for a 5-year /100,000 - mile limited powertrain warranty extension on the following Ford vehicles: 2022-current model year F-150[®] (excluding Raptor) Pickup, 2022-current model year Super Duty[®] (F-250 through F-600) Pickup & Chassis Cabs (F53/F59), 2022-current model year Transit Van, Cutaway and Chassis Cab, 2022-2023 Transit Connect[®] Passenger Wagon & Cargo Van, 2023-current model year E-Series Cutaway & Stripped Chassis. Vehicles must be reported as a sales type "fleet" at the original time of sale. To become a U.S. Ford Fleet account, for vehicles that are owned and operated in the United States, you must register for a U.S. Fleet Identification Number (FIN) Code. You will also be asked to provide proof of [eligibility](#) documentation for the vehicles in your fleet. This powertrain warranty extension will stay with the vehicle even if the vehicle is subsequently sold to a non-fleet customer before the expiration. This extension applies to both gas and diesel powertrains.
